CLASS SCHOLARSHIP PROGRAM

WILL YOU HELP? Our class program is self-sustaining, funded entirely through participation fees. Last year, more than 650 class scholarships were given to low-income residents of Fairfax County who meet eligibility guidelines. But with your support, we can do more to ensure that everyone -- especially every child

-- has access to healthful and enriching recreation. Donations to the Class Scholarship Program are tax deductible.

ACCESS SUPPORT IS HERE FOR THE ASKING

Fairfax County is committed to giving all citizens equal access to recreation and leisure opportunities. In keeping with that policy and the Americans with Disabilities Act, reasonable accommodations and inclusion opportunities are provided to individuals with disabilities in all Park Authority programs, classes and camps.

ADA accommodations include sign interpreters, assistive listening devices, program modifications and inclusion support. Call 703-324-8563 or TT 703-803-3354 at least ten (10) working days in advance of the date services are needed.

Other Important Information

- Download your camp forms at www.fairfaxcounty.gov/parks/campforms
- If you register online, a confirmation packet will not be mailed to you. Be sure to download forms from the web site. These packets contain important enrollment forms and program information. Some of our camp programs are licensed by the Va. Department of Social Services, therefore require additional paperwork including an immunization record and physical form (copies accepted). In addition, Virginia law requires proof of child's identity be shown upon arrival at some camps. Proof of identity may be: a certified copy of a child's birth certificate, birth registration card, notification of birth record, a passport, copy of placement agreement, or a Virginia public school report card. School-based camps do not require licensure.

- Out-of-county residents are welcome to enroll in camps for the price of the camp plus \$15.
- Some weeks are designed for private school students who get out of school before Fairfax County students.
- Please check dates as some camp options are one week and some are two weeks.
- Inclement weather and code red days: On code red days, campers will engage in outdoor activities during the day while taking in plenty of water and several shaded breaks. Many of our camps are held outdoors. Please check with the site for more information. On rainy days or when substantial rain is expected, some outdoor camps may be canceled for the day.
- Pool Closures: Some RECenter pools may be closed in late August for maintenance and cleaning. Check with the RECenter for more details if your child is signed up for a camp in late August.
- If your child is signed up for First Kicks, MiniSoccer or Player Development soccer and you are interested in hosting a British coach and receiving a scholarship towards your child's camp, please call (703)324-8571 or go to our camp forms Web page to get more info.
- Some sessions repeat trips and activities
- School locations subject to change
- Camps must meet minimums to operate

Extended Care

Before and after camp care is available at several RECenter/Park locations. This service, designed for children 6 years and older, provides additional morning and afternoon care for campers already enrolled in camps on site. Campers stay in a safe environment and get to choose from these supervised activities including board games, cards, drawing/coloring, and age-appropriate movies. Camps ending before 4pm are not eligible for extended care.

You can pre-register (just like camps) for Extended Care online at www.fairfaxcounty.gov/parks or register by phone, 703-222-4664, or in-person at our RECenters and parks.

Flexible Packages: Packages are offered weekly — be sure to register for both weeks if your child's camp is a two week session and you need both weeks of care. Morning sessions allow you to choose between one and two hour options. There is also a daily, per session, drop-in rate for those who need last minute care.

Refunds/Transfers: Extended care refunds are given in full if requests are made at least 14 working days in advance. There are NO refunds given within 14 days or once camp begins. Transfer requests, including transfers from one site to another, will be granted until the camp session for which the transfer is being requested begins

Helpful Hints for Parents Sending Children to FCPA Camps:

1. Make multiple copies of the camp forms once you complete them. You will need to turn in forms at each location for each session and you may want a copy for your own records.
2. Be sure to put your name on the Pick-Up Authorization Form as an authorized individual even though you are the one completing the form.
3. Label all of your child's belongings, including child's lunch which has to have child's name and the date on it.
4. Keep electronics at home.
5. Dress your child in play clothes and sneakers every day. Not permitted: sandals, wheelie shoes, flip flops, clogs, etc.
6. For your child's safety, do not drop off your child at the front door. Parents must sign children in and out of camp each day. An I.D. is required at pick up.
